

DIRECTOR OF ANIMAL CARE AND ADOPTION

Broward County, FL

(Ft. Lauderdale, FL)

THE COMMUNITY

Bordering Southeast Florida's Atlantic coastline, Broward County is the eighteenth most populous county in the nation and the second largest in Florida. It is located between Palm Beach and Miami-Dade counties, forming the heart of Florida's largest metropolitan area in which 6.2 million people reside. Within the county's 1,220 square miles are 31 municipalities, the largest of which is Fort Lauderdale. Nearly two-thirds of the county is part of the undeveloped Everglades conservation area. Broward County boasts more than 23 miles of pristine Atlantic coastline, and its beaches attract both the local population as well as tourists from around the world. With an average year-round temperature of 77 degrees, Broward County has a tropical climate and is a choice destination for over fourteen million visitors every year.

Broward County's warm climate, demographic diversity, robust and expanding economy, excellent schools, state-of-the-art healthcare, and advanced transportation system afford its residents an exceptional quality of life. Broward offers world-famous fine dining, theater, nightlife, and shopping venues, as well as an abundance of recreational activities like golf, deep sea fishing, boating and unlimited opportunities for fun on the beach. The state's second largest public school district is located in Broward County, providing excellent primary and secondary education. In addition, there are many prestigious local and regional colleges and universities offering excellent higher education opportunities.

The Fort Lauderdale-Hollywood International Airport is a part of Broward County, and most major cruise lines operate out of Broward County's Port Everglades, ranked second among cruise ports worldwide. Among Broward's abundant retail shopping options is Sawgrass Mills, the largest one-story shopping mall in the United States. For the sports enthusiast, Broward is home to the NHL's Florida Panthers, while other major sports teams, like the Miami Heat, the Miami Marlins, and the Miami Dolphins, are just a short drive away.

THE COUNTY

As the chief executive officer of Broward County Government, the County Administrator directs the day-to-day functions of County government under the auspices of the Broward County Board of County Commissioners. The nine-member elected Board of County Commissioners is the legislative branch of Broward County Government. A separation between the legislative and administrative functions of County Government is provided for in the Broward County Charter, which was established in 1975.

As a regional provider of programs and services to its residents and visitors, Broward County employs more than 6,200 employees in 60 different agencies in areas such as transportation, human services, and community enrichment. Broward County's regional services include one of the nation's fastest growing airports, a bustling international seaport, an award-winning library system, an ever-growing transit network, an expanding park system and a variety of community services.

While the diversity of Broward's population of 1.9 million creates unique opportunities in delivering services and providing information, that diversity also contributes to a dynamic cultural environment that makes Broward County one of the most interesting and robust places in the world to live and work. The County's overall budget is \$5.8 billion with a general fund budget of \$1.3 billion. Since 2014, all three of the major rating agencies, Standard & Poor's, Moody's Investor Service, and Fitch Ratings have rated Broward's general obligation bonds "AAA," making it one of only four counties in Florida with a AAA rating from all three rating agencies.
